

RESERVED PARKING & SEATING

Parents,

Each year West Covina Christian School puts on several large school events. All of these events are FREE of charge. As a convenience, however, we make available as a fundraiser, Reserved Parking and Seating for these various events. If you are interested in driving right to your own parking space and walking right to your own seat (15 minutes before the event!), please fill out the sheet below and send in with your check made out to WCCS with your child or to the School Office. With your reservation, you will have your own marked parking space, and up to (12) seats. The reserved seating section is behind the reserved seating for staff.

Place your order early as reservations are given in the order received and are limited. You may request up to 3 sets (maximum of 12 seats), for each event in order to allow ample space for families. (One set equals 4 seats and one parking space).
