

A Note from the Director

Dear Parents,

I hope everyone had a wonderful Thanksgiving. Now that the Christmas season is officially upon us. We will be celebrating Jesus' Birthday in a special way. On Friday, December 21st, each child will bring a dish of food that their family loves to eat for Christmas. It can be a main dish, side dish, or dessert. Please bring it in a disposable container and enough for at least 24 servings. If you would like to help, please look out for the email.

Due to unforeseen discrepancies among late pick-ups, I am kindly reminding everyone of the Late Fee Policy in our handbook. "We encourage parents to be prompt in picking up children from school. In the event of emergencies, the following Late Fee Policy has been established: For the first five minutes there will be a \$1.00 charge. For every minute, thereafter, there will be a \$1.00 charge with the exception of Full Day Students who will automatically be charged \$1.00 a minute after 6:00pm." I understand some things cannot be helped, but because young children worry when parents are late we urge every parent to be prompt and to call if one will be running late. Thank you for your understanding.

Have a Joyful and Happy Holiday!

-Miss Christina

Thank You for your Support!!

Thank you to all the parents who brought goodies for the Thanksgiving Feast. It was a huge success because of YOU! We would also like to thank all the parents who came to help. We couldn't have done it without you!

Also, I want to thank all of our Preschool families that participated in Operation Christmas Child. It was such a Blessing to see the children excited about sharing toys and books with other children who are less fortunate. Thank you for your generosity. We appreciate you.

Thank you to the following families for your continued support and donations. Catalina, Penelope, Noah, Alex and Kara.

Studies indicate that spending one on one quality time with your child individually deepens your empathy, transforms your parent-child relationship, deepens your bond, and helps you gain better insight. Your child is learning about their world and forming their self-image and sense of themselves and their world through the reflection we give them. This Christmas season let us stop to not only reflect upon the gift God gives us, but the beautiful and wonderful children He has entrusted to us and how we can spend more time with those we love.
