Christmas is the celebration of Christ's Birth. Our emphasis throughout the month will be a celebration of His birthday.

## I. BRINGING CHILDREN TO AND FROM SCHOOL

It is most important for your child to arrive at Preschool on time to fully benefit from the program.

1. The adult bringing the child to school must accompany him/her to Room 1 and sign the Classroom SIGN-IN/SIGN-OUT SHEET. This sheet must also be signed with first and last name before the child can be RELEASED from the classroom. Children ARE NOT TO BE DROPPED OFF AT THE HALL DOOR. Please remain with the child outside of the gate during pick up and drop off as a safety measure for the children and adult. This also helps foster independence and helps the educators who are watching over the students under their care. Please remain with the child until he/she has been greeted by the teacher in the classroom and admitted to school for that day. If the parent is unable to pick the child up from Pre school, the child will only be released to persons listed on the emergency form. Siblings will not be allowed to pick up child unless they are at least 18 years or older. Any person not listed on the Emergency Form will not be allowed to pick up the child without written documentation and a phone call from the parent. ID will be required every time an educator has not seen the ID or cannot recall seeing one's ID. Therefore, we encourage all persons picking up your child to have an ID on their person at all time in order for the child to be released to that person.

A \$5.00 charge will be warranted if you do not have a legal signature and/or if we are missing a sign in/out signature per missing or incomplete signature.

2. We encourage parents to be PROMPT in picking up children from school. In the event of emergencies, the following Late Fee Policy has been established for the pick-up times of 11:45am (half days), 3:00pm (school days), and 6:00pm (full days):

For the first five minutes there will be a \$1.00 charge for Half and School Day students with the exception of 6:00pm full days. Parents who pick up their child after 6pm will automatically be charged \$1.00 per minute beginning at 6:01pm. For every minute thereafter there will be a \$1.00 charge. **(Because small children worry when parents are late, we urge every parent to be PROMPT IN PICKING UP THEIR CHILD).**

3. Additional Charges for Half Day and School Day Program: Half Day program is from 8am - 11:45am and the School Day program is from 8am - 3pm. If you drop off your child prior to 8am a \$ 1.00 a minute will be charged after the first five minutes of sign in.
4. If you need to take your child to a medical/dental appointment or any other event (such as on campus events) that requires the removal of the child from their classroom during the school day, you must sign your child in and out on the appropriate form as stated by licensing state code 101229.1.

### P. FAMILY MONTHLY PROJECTS

Monthly Family Projects are designed to increase family togetherness and connect the home and school. Students develop the skills that are needed for their education journey through the Presentation of Projects.

### Q. PRESCHOOL HEALTH REGULATIONS

The State Department of Health has established the following guidelines:

"Ill children shall not be accepted for care in a Preschool. The Preschool must make every effort to gain the cooperation of the parents in keeping their children at home when they are not well. The Preschool has the responsibility of seeing that children with obvious symptoms of illness, including the common cold, are not accepted."

To comply with this regulation, every teacher will conduct a health check of each child entering class. If a child is to be excluded from class for reasons of injury or illness, the teacher shall inform the Preschool Director, who, in turn, will take appropriate action.

For the protection of all children, your child should be kept at home (WE CANNOT ACCEPT HIM/HER AT PRESCHOOL) if he/she show any of the following symptoms:

A TEMPERATURE...DIARRHEA OR VOMITING...A RASH...NASAL DISCHARGE OR DISCHARGING EYES OR EARS.

Parents should exercise every caution and keep their child home for 24 hours after symptoms disappear. All children must have release from their physician for readmittance to school.

If the child has been exposed to a contagious disease, he should be kept at home and the FACT OF HIS CONDITIONS SHOULD BE REPORTED TO THE PRESCHOOL (strep throat, pin worms, viral infection, infected ears and/or glands, measles, mumps, chicken pox, scarlet fever, etc., are among those conditions categorized as "highly contagious"). If a child becomes ill during the day, he/she will be taken to an isolated area and the parents will be contacted so that arrangements can be made to have the child taken home.

During recent years, head lice has become an increasing problem within the community, with outbreaks most common during the fall/winter months. Should a child be found with lice, we request that the Preschool Director be contacted immediately so that parents of other children can be notified. A child MUST HAVE A RELEASE FROM THEIR PHYSICIAN OR THE LOS ANGELES COUNTY HEALTH DEPARTMENT AND BE COMPLETELY FREE OF "NITS" IN THE HAIR BEFORE RETURNING TO PRESCHOOL AFTER TREATMENT.

## RULES OF DISCIPLINE

West Covina Christian Preschool defines discipline as a means to teach and not to punish. We redirect, ask questions, reinforce positive behavior and guidance and communicate with parents. We understand that “no discipline seems pleasant at the time, but painful later on, however it produces a harvest of righteousness and peace for those who have been trained by it.” (Hebrews 12:11) and work in partnering with parents while maintaining the child’s value and dignity. Discipline “trains up a child in the way (s)he should go, [so that] when (s)he is old (s)he will not depart from it.” (Proverbs 22:6)

- A. Children will always be accorded dignity when dealing with the staff or other persons. Mutual respect is an essential in the classroom. The teacher will respect the children and in return will expect their respect for adults and other children.
- B. Under no circumstance will corporal punishment be allowed even if a parent requests it. Infliction of pain, humiliation, intimidation, ridicule, coercion threat, mental abuse, or other actions of punitive nature will never be used. No discipline which would interfere with daily living functions, including eating, sleeping, or toileting will be used. Shelter, clothing, medication, or aids to physical functioning will not be withheld.
- C. Children will be given a break if their behavior warrants it. Under no circumstances, however, will a child be left alone in the classroom or outside a door. There are no exceptions.
- D. The goal of the WCCS Preschool is to help your child grow in responsibility. This may mean returning and putting away games and materials. It may mean using a quiet voice when playing a game while the teacher works with another group. However, the expectation must always be determined by the developmental level of the child.
- E. The staff will always endeavor to help children avoid behavior problems. They will keep rules simple and clear. They will be consistent in dealing with children, and they will provide reinforcement for positive behavior. The classroom will provide a safe, healthful and comfortable place through its accommodations, furnishings and equipment, which encourages a child to positive participation.
- F. Teachers will communicate with parents on a regular basis so the parents are made aware of their child’s strengths as well as any areas of concern.
- G. The following behaviors if they continue should be reported to the parents: kicking, hitting, biting, disrespect to authority, refusal to follow directions, intentional destruction of property, and use of inappropriate language.
- H. In cases where negative behavior continues which threatens the physical or mental health of another child or which disrupts the classroom in such a way that it adversely affects the education of others, a conference will be scheduled with the parent, director, and teacher to try to work out solutions.
- I. If a child is endangering himself or other students, the parent(s) will be called and asked to pick up the child. This includes biting other children.
- J. Grounds for dismissal:  
It is understood that upon recommendation by the Directors, the WCCS Preschool Board may terminate my child’s enrollment if either of the following conditions arise:
  - 1. The child’s behavior threatens the physical, mental health or well being of the other children or teachers at WCCS Preschool.
  - 2. The WCCS Preschool experiences are not meeting the child’s mental or physical needs.

## DISCIPLINE POLICY FOR PRESCHOOL

West Covina Christian Preschool aims to help your children have a positive school experience. By modeling respect for your children, we help them to learn to respect our school, our staff, and their classmates. In order to keep you informed about your children's progress, behavior notes are sent home daily.

- A happy face will indicate that your child had a good day.
- A medium face will indicate that your child struggled with following classroom rules.
- A sad face will indicate that your child has spent time in the Thinking Chair three times or more during the day. Students are sent to Time Out for hitting, biting, being disrespectful or they won't obey their teacher.

Before a child is sent on a break, we give them redirection and suggest the appropriate positive behavior. If the misbehavior continues, the child is sent to cool out to think about their actions. After a few minutes, we talk quietly to the child about the negative behavior asking what they could do better so they can have a positive day. Then they are excused to join the class.

In the Teacher's Comments section, the teacher will write a comment about your child's day. If your child has a Sad Face the teacher will give an explanation of the child's behavior. Please read the explanation and then talk to your child about their behavior. We ask that you provide consequences at home as well. If you have any questions about their behavior, please speak to the teacher who gave the Sad Face.

If your child continues to receive Sad Faces for a week and the behavior does not improve, the teacher will contact you to set up a conference. At that time we may begin an ongoing behavior chart so we can work together to help your child be successful at school. Occasionally children are asked to leave the school if problems continue to be severe. This is done after careful consideration at the discretion of the director.

We want your child to have a successful school experience. We will do our best to help you and your child work through any problems that occur so that they will have a positive learning experience.

## DISCIPLINE POLICY FOR PRE-KINDERGARTEN AND TRANSITIONAL KINDERGARTEN

West Covina Christian Preschool aims to help your children have a positive school experience. We believe in modeling respect to and for your children, and for your children to learn respect our school, our staff, their classmates and themselves. In order to keep you informed about your children's progress, a weekly behavior chart is sent home daily in your child's school folder.

The following papers (subsequently to this paper) indicate the Behavior Chart Guide usage (how it's used and what each color indicates along with a reason why your child has landed on that color) and the Weekly Behavior Chart that will be sent home daily to see where (color/title) your child has landed for the day. A "Notes" section and "Parent Initials" section is at the bottom of each day to better communicate with one another and to always remain in unison with each other.

We want your child to have a successful school experience. We will do our best to help you and your child work through any problems that occur so that you and your child will have a positive learning experience.

## **Homework Policy**

### **Pre-Kindergarten and Transitional Kindergarten**

#### **Why we assign homework:**

We believe homework is a valuable aid in helping students make the most of their experience in school. We give homework because it is useful in reinforcing what has been learned in class, prepares students for upcoming lessons, teachers responsibility, and helps students develop positive study habits to prepare them for Kindergarten and the rest of their academic life.

#### **When homework will be assigned:**

Homework assignments will be assigned weekly and will be due at the end of your child's last day of the week. Assignments should take students no more than a half hour to complete each night, not including review of what has been taught that week, working on projects, or reading.

#### **Student's homework responsibilities:**

I expect students to do their best job on their homework. I expect homework to be neat and not done in a hurried manner. I expect students to try their best and ask for adult guidance when needed. I expect that all assignments will be turned in on time.

#### **Teacher's homework responsibilities:**

I will check all homework. I strongly believe in the value of supportive feedback in motivating children to develop good study habits, therefore I will recognize students when they do their homework and offer incentives.

#### **Parent's homework responsibilities:**

Parents are the key to making homework a positive experience for their children. I implore parents to make homework a top priority, read homework directions, provide necessary supplies and a quiet homework environment, set a daily homework time, provide praise and support, and contact me if they notice a problem.

Homework is assigned weekly, this helps to accommodate the busy extracurricular schedules of students. Please, plan a homework schedule accordingly. Please, read and discuss this homework policy with your child.
